The fallibility of the Biblical texts

This Treatise is written as a response to John Wielstra's 'ask' of me:

"Do you believe that the bible is the infallible Word of Allah."

- page - 1 - Introduction
- page - 2 - Infallible revelations of Allah
- page - 5 - The deceptive stories
- page - 5 - The deception of the Dark
- page - 7 - Allah's invisible energy
- page - 9 - What is the Power & the Glory?
- page - 10 - Valorous souls who adore their Allah
- page - 12 - Whose 'side' is Allah on?
- page - 13 - Note
- page - 14 - Mother Allah states
- page - 15 - My prior letter to John

Dear brother 'John,' since Allah is the **SUPER POWER** who simply IS, and who created everything, then all of us need to believe that **HIS ~ HER** Word is infallible.

What does infallibility mean in this context? Infallibility in this context means that what Allah says 'IS' and, what He says is to BE will BE. (**must be *** - **Note** at page 12).

How does Allah speak to mortal man on this level? The thoughts of Allah inspire man in every endeavour. Allah, as **He ~ She**, is the font of all **Wisdom**. Any instruction around the issue effecting the mortal tissue of man, or their spiritual earthly salvation or their destruction are also received telepathically by man as instructed by Allah the Source.

Since I state that I am the **TRUTH** and that my spiritual name is "Invincible," and that my spirit soul is free of Sin within, (having no negative energy of Allah the Source within my soul) it means that I have no negative emotions of fear, anger jealousy or hatred within.

The result of having no negative emotions is that I, and ONLY I, am the pure channel for Allah **She ~ He**. It also means that **She** is the one to dictate their message to humanity at this point in time.

Thus they, **THE Divinity**, are able to speak through my mind without my thoughts being either manipulated, disturbed or interpolated with, by any other thoughts from the Dark demonic level. In summary, there is no interfering or changing what I PERSONALLY RECORD as TEXT in my **The Testament of TRUTH** to all humanity.

My book is the **Infallible WORD of Allah** written by THE pure soul so as to abolish all past teachings simply because all past teachings and Scriptural texts are not infallible.

The reason they are not infallible is because the authors of said scriptures had minds that could be 'inspired' by both the **Light** and the **Dark** aspect of the *Source* thereby distorting the true word of Allah.

The men writing, editing, adjusting or interpreting these texts were not free of sin within, and therefore their thoughtful 'ideas,' carried through the ether telepathically, arose from both the **LIGHT of Allah** and the **DARK** of Allah.

The Dark intruded telepathically via the negative energy (ITS) within man and as a consequence THE DARK, via said men, 'wrested the scriptures,' and thereby enabled the ongoing *destruction* of man by the Dark Sovereign Power. (Allah)

~ **INFALLIBLE REVELATIONS of Allah** ~

**I state here and now** those words which ARE the infallible WORDS of Allah and ARE a direct Command from Allah to mankind. Being; **Allah's** REQUIREMENT if man wishes to be '*Saved,*' and therefore be freed of their inner SIN.

I hereby record some of the infallible WORDS of Allah which were recorded correctly in mans' Holy scriptural texts over the ages.

(a) Go your way in peace and love one another and BE merciful and compassionate and always FORGIVE your enemies.

(b) Turn the other cheek when faced with adversity and do NOT retaliate or you will be late for Heavens Gate.

(c) Go as "a Lamb to the slaughter" even when your enemies wish to destroy you.

(d) The words purported to have been spoken by Jesus and recorded here by my hand are also the infallible Word of Allah.

"The greatest of all the commands given by the Father is that we are to LOVE one another and to forgive others even unto 70 x 7, and I add, more than 70 x seven."

Allah now reiterates: "MY ONE LAW is immutable and INFALLIBLE." That LAW is:

"As you Sow so shall you Reap - what you or your servants do unto others will be done to you by others on an EQUAL and therefore 'eye for an eye' basis" - - - being;

"ABSOLUTE JUSTICE"

A very long time ago when man lived in the garden of Eden, Allah spoke to each saying:

"You may eat of any fruit in this place but I FORBID you to sup on the fruit of the Dark Tree because if you do you will suffer eternally and die in your SIN"

Only Allah knew why **HIS ~ HER** children would die spiritually. The reason for that is within my Testament Text. The question is; "What" **tempted** man to eat of this forbidden FRUIT?

It was NOT 'Eve' because that is simply a deception of the Dark wishing to lay blame on one's sister. A tempting THOUGHT arises in the mind of EVERY child/spirit created by Allah THE Father to see:

1 - "Who" is a *faithful worthy seed* and resists the '**temptation**' to defy His Command of peace & love and does NOT use His destructive controlling Power against another and,

2 - "Who" is an *unfaithful unworthy seed* who does NOT 'obey' His Command and thus uses His forceful dark and destructive energy and is to be destroyed by "He."

The **deceiving** thoughts from the DARK said: "**You can eat of this fruit and NOT die, for all that will happen is that you will LEARN the difference between GOOD and EVIL.**" (Implying that you would simply learn of the existence of evil and it's nature.)

Although the individuals did not literally eat any fruit, for the fruit of the DARK tree is simply the NEGATIVE energy of Allah the FATHER, the moment they gave in to these thoughts and chose to be negative, they drew IN some of IT (Sin) and IT contaminated their souls.

The consequence of that action is that they placed themselves within the Law of the DARK. HE (Allah) is the sum total of ALL **destructive** and **forceful** ENERGY, and it is HIS prerogative ONLY to use it, NOT yours, nor Adam's nor Eve's.

Man today defies Allah every day as a result of the 'Sin' within man which JUSTIFIES the continued use of IT'S ENERGY (Allah's) within mankind. Dark emotions enabling the FEAR of oppression or persecution and fear of loss of freedom, as well as GREED, with it's insatiable needs, and hatred or jealousy with ITS destructive demands. (The Sin)

When you have ANY sin energy within you it is impossible to win, because the SIN energy is all knowing and absolutely deceptive and cunning and IT never sleeps.

You need to *understand* that the moment you use Allah's dark energy to control, injure or judge any of his children, IT'S intent, **Allah's** intent, is to fill your soul with IT (dark energy) so that IT can then drag your UNFAITHFUL soul into IT'S Dark and forbidden LAIR to crush you into NOTHINGNESS and **excruciating AGONY**.

This IT does due to your INITIAL defiance of Allah. Yes, the DARK energy within YOU seeks to drag ITSELF within YOU down into ITS rightful place BELOW.

Try and see that when you defied Allah in the first instance in using His **forbidden to use** Dark and **destructive** ENERGY, that in FACT, in His 'eye,' you **STOLE** it that energy that belongs only to Him. HE forgives NOTHING. HE is MERCILESS and PURE Justice.

HE (Allah) permits NO sin (negative energy) to exist in His LIGHT because, any speck of DARK would be a blot in HIS *Paradise* space which is SHE The Light.

Therefore any spirit living in *Paradise* who thinks and decides and 'moves' to "take or deny" are, in a blink of an eye, taken out of His sky and out of His eternally moving canvas of beauty.

His *Paradise* is ONLY filled with people who are absolutely loving, giving, adoring, honest, respectful and very kind in giving of their all to each other.

**NOTE** - Similarly as on an earthly level where the dominant (SUPER POWER) brooks NO competition to IT'S supreme position and therefore destroys others competing with IT'S dominance, the Dark energy of Allah being the real SUPER POWER, "Brooks" no competition.

So, when you have even one speck of IT'S darkness within you then, - - - in IT'S sight, you are competing with IT, and consequently IT sets out to destroy you and absorb your negative energy (IT'S Energy) back into IT, being within HIS fold where IT rightly belongs.

It is NOT that Allah is EVIL, it is just that HIS energy simply is what it IS, pure destructive Dark energy, being unchangeable by you or Itself. So when you defy Allah and partake of IT then you will be destroyed by IT.

Only partake of Allah's Light Benign energy and become as IT is, loving and happy and free eternally as you bow to Allah's Command. Allah's energy is all powerful, not YOU.

There are many text verses in the supposedly sacred scriptures of all religions which ARE error, untruthful and deceptive ENOUGH to mislead you, you and YOU, but NOT me. As a consequence of their fallibility, these texts as a 'whole,' have NO Salvation value because they are not all Truth.

~~~

~ THE deceptive STORIES ~

All the purported sacred texts of mans' religions hold stories which are **deceiving**. Jesus never said that he was anything other than Allah's Messenger (sent by the Father) as I am today. I state:

Jesus cannot save you - I cannot save you
 Bhudda cannot save you - Muhammad cannot save you
 The government religious ideology cannot save you

ONLY YOUR COMPREHENSION of my pure text written by Allah VIA my hand to **ENLIGHTEN** you will save you IF YOU OBEY it's requirements in TOTALITY as believers or **DIE**. The requirements being as per page 2 - a, b, c, d.

Allah's WORD and MY PEN are infallible.

When YOU defy **Allah's** Command then HE becomes your **ENEMY**.
 You can NEVER **fight HIM** or **His forces** and 'win,' - - -
 All you DO as you **fight** is, that YOU draw MORE **Sin** IN.

~~~

~ The Deception of the DARK ~

**The deception** of the Dark is IT'S capacity to convince you and to justify in your mind that you need to continue to support "Its" Anti Christ actions by **Defying** the Command of Allah page 2 - (a) whilst still believing that you can win your freedom from IT and therefore be saved. This is the spell binding **DELUSION** binding man to his ignorance of the 'Totality of Allah' and of **IT** the Dark aspect and to His immutable LAW.

"Yes," Caesar and all earthly governments are raised up by IT (Allah the Father) the DARK because, from the very beginning He said:

"IF you use my forbidden to use energy which is dominating, controlling, intrusive, forceful, punitive and destructive, YOU WILL DIE IN YOUR SIN because, you place yourself within the PUNITIVE aspect of my INFALLIBLE LAW and you draw IT the dark energy into your soul."

To AVOID paying ones spiritual dues man pays a daily ransom to Allah's earthly forces (governments) and this results in and ensures that man continues to accrue MORE **punitive** (Karmic) debts to Allah with the consequence that more **suffering** becomes their due.

When THE TIME comes to PAY, it is Allah's (The Dark) thoughts in your mind which will tempt and entice you by justifying in your mind a reason to **RETALIATE** and, as THIS you DO, you DRAW IN more of Allah's Dark energy as you fight, which contaminates your soul, making your destiny further and further from THE **Light**.

Why is this so? The more you fund and condone Caesar's government the more you are complicit to the *forceful imposition, control, subjugation, punishment, loss and suffering imposed* on other children of Allah by your 'overlord,' the government of the day.

It is thus within the infallible Law of Allah that you MUST receive your just dues within His Law, and MORE taxes and rules, regulations and punishment are imposed by Allah the Father upon all by His earthly forces inspired from the dark lower realms.

It is thus that you and they all carry on in their not so merry way to HELL, completely oblivious to that fact that Jesus the man cannot save them.

Why was all this not Revealed by Jesus? Because man lived in the dark ages and had no means to communicate quickly. Only in the past hundred years or so have we had electricity, lights, telephone, radio and now computers which only now give us INSTANT Global Communication.

It is also ONLY now that we do understand the INVISIBLE ENERGY that powers all our technology, and we understand more about positive and negative energy. It is my pen to now reveal that Allah's Energy is similar in that His ~ Her energies also have twin spiritual energy polarities.

The **Dark** is - *forceful, controlling, punitive and destructive.*

The **Light** is - *benign, loving, kind and creative.*

Only now does HE, the Father, out of love for His Beloved (*She the Light*) permit me to enter into HIS domain of "*Slavery and subjugation*" to see if there is even ONE who can save themselves before HE destroys all continuing to defy HIS: "*Peace, mercy, love and forgive*" Command.

This is akin to a similar situation faced by the inhabitants of Sodom & Gomorra because all mankind IS '*depraved*' in the eyes of THE FATHER.

This is the FINAL CALL from Allah the **LIGHT** to every level of consciousness outside of the pure Light, being all the 'lower' rooms in **His** mansion.

~~~

~ Allah's invisible Energy ~

Two thousand years ago Allah's invisible ENERGY and ITS 'nature' could not be 'seen,' nor measured, nor understood, and it is only now that 'enlightened' man can begin to comprehend the possibility that Allah HAS and is comprised of a dual ENERGY substance.

This energy of Allah can and does affect mankind's emotions and thoughts as well as their *Salvation* or *Demise*. Mankind has 'transferred' his allegiance to the **Dark Sovereign Power, Allah the Father**, rather than remaining faithful to the **LIGHT Sovereign Power, Allah the Mother**.

The consequence being, that everyone is 'happily' living on a raft of **delusion** in total **ignorance** of the fact that the 'lip' of the GIANT waterfall is just around the next bend and they will ALL be swept over IT into agony unless they seize hold of the 'lifeline' I extend.

Try and see that ONLY the positive **Light ENERGY (She) is benign, loving, kind, merciful, compassionate, forgiving and Creative**.

He is the absolute opposite. He dominates totally, is controlling, cruel, remorseless, vindictive, brutal, merciless, unforgiving, vengeful, angry, vain, proud, jealous, hateful and utterly **Destructive**. As He IS so has society become.

Yes HE 'rules' this world with an IRON fist as His dark energy keeps you ALL within the 'bounds' of the **punitive** aspect of **His** "*As you sow so shall ye reap*" Law for the SOLE PURPOSE of ENSURING your DOWNFALL because of your continued defiance of the '*ONLY Love one another*' Command. This Command is ignored by society today.

How does He accomplish your downfall and how do I, inspired by **SHE**, help YOU to it SEE?

His earthly regulators are empowered by the Dark to do nothing other than raise up thousands of Decrees enabling their (His) **interference, coercion, threats** in order to take **control** of every aspect of human life by ensuring that His earthly 'governments' now forcefully **extort** levies for every one of your activities.

This you can see in every business and private venture and, - - - every **RULE** in His 'Text' Books (Government legislation) enable Him to **control, interfere, extort money, judge, punish, enforce, injure or kill**, being HIS 'pay-back' within HIS immutable LAW.

Can YOU not SEE that every activity 'enabled' by said legislation **coerces** YOU and **threatens** YOU and **forces** YOU to support IT and thus 'back' IT? In every instance whereby you obey these demands YOU are complicit to said **impositions** being placed upon OTHERS, and thus you place yourself within the ONGOING **punitive** aspect of the 'eye for an eye' LAW because, YOU must '*Reap what you sowed*' in order for His Law to be fulfilled.

Thus you are **interfered** with MORE and **taxed** MORE through annually increasing **regulations, controls, licence fees, fines and punishment.**

More to the POINT, **it is more imperative for you to understand** that your 'addiction' to holding ON to the 'belief' that you MUST contribute to this 'funding of Caesar' **INIQUITY** means, - - - that you ARE daily in TOTAL CONTRAVENTION of His ~ Her Command Decrees: **page 2, a - b - c -d**, above.

THIS 'factor' of DEFIANCE keeps everyone drawing in more dark energy and suffering more and continuing along the wide road to HELL even as they sing 'happily' with their congregations believing that they are already *safe and saved*. NONE yet are say I.

Note: The 'Sin within' factor in fact refers to the mass of negative energy within a spirit soul being the 'total volume' of negative emotions within.

As NO 'dark' energy exists within the pure **Light of Heaven**, it follows that NO spirit can enter therein if they have even one 'speck' of dark emotional energy 'existing' within their soul.

It follows that the spirit soul of every person exiting the biological flesh of this world is drawn instantly to a level (Room in Allah's Mansion) having an equal 'vibration' to that of their inner energy.

The greater the mass of dark emotional energy within their soul, the further from the Light they find themselves.

~~~

~ What IS the 'POWER' & the 'GLORY' ~

The **POWER** is the easy way 'in or out' of situations, wherein man is either arrogant or ignorant or 'weak' in morals, belief, conscience and emotionally unstable, and thus uses force to **gain** or **attain** or to **defend** and **fight**, thereby losing his spiritual LIFE.

The **GLORY** is ONLY for those who NEVER find the 'justification' to defy the Command of their Creator. Thus they HONOUR their Allah, and at all times and in all situations they BOW in OBEDIENCE to Allah's Command meaning, they stand STILL and stay strong in their **belief** and never raise their voice or hand against any other.

If those who obey Allah's command are to be 'struck down' they remain 'steady,' and they 'permit' their Allah to DO what is needed to set them free from their past ways when they sinned against others.

They do however NEVER 'give in' to the taxing **extortionist DEMANDS** imposed by others who wield 'arms' and who use **force**. They simply say: "No, I cannot so do," and suffer the consequence **peacefully**.

These stalwart souls only fund **benign community effort** and pay for services they need and '**GIVE to the needy**' who ASK for assistance.

Remember, the 'word' **COMPULSORY** means; that someone has invoked a decree and has the expectation that you will comply through coercion and threat which is inevitably backed by **force of arms**.

It feels good to 'have' the power of THE DARK POWER, (Allah's forceful energy) and to thus be able to accomplish ANYTHING negative, even if it is in conflict with Allah's Command, and thus **controlling, extortionist, cruel, hateful, injurious, punitive or destructive**.

I say that 'simple' man needs to remember the absolute POWER of the DARK of Allah, with ITS capacity to deceive everyone, and to get them to BELIEVE that to live happily and to avoid suffering, that they need ITS (the System's) '**protection**.'

No one sees that as the 'System of the Dark' (man's legislative bodies throughout the world) uses **FORCE, control, threat, coercion, extortion, punishment and killing** in order to 'apparently' **protect** man, but in so doing, man unknowingly loses the **DIVINE PROTECTION** granted unto those who do NOT use nor rely on the 'strength' of their arm or weaponry etc.

I say that no man true to Allah would invoke any 'regulatory' demand having a punishment factor backed by force of arms because THE **true** ONLY live within the 'constraints' of Allah's Command as given in page 2, (a).

~~~

~ The 'Valorous' Souls who adore their Allah ~

&

The taking 'ON' of the 'Sin' of this world

Let it here and now be clearly understood that existing in the 'Heaven' of **pure love** are multitudes of pure spirit souls who have lived therein for an eternity of eternities because our Creator has existed forever, and forever has been creating 'us' **His ~ Her** children.

Existing in the 'limitless' other lower 'realms' of consciousness (Rooms in Allah's Mansion) are trillions upon trillions upon trillions of other 'sisters & brothers' who went astray and who 'await' this time of 'soul' purging so that they can 'rise up' even a tiny step from where they presently ARE, being a spiritual level where suffering exists.

However, these souls will be NO better off unless they are **enlightened** as to 'why' they are where they are and 'what' they need to know to assist themselves. This is where valorous souls of honour come into the picture.

The 'first born' (created) spirit souls are endowed with a powerful inner **Light** and their **love** for Allah's lost children is so great that 'when' Allah spoke in the **Light** saying:

"I need 101 million stalwart children to go out from this 'wonderland' so as to assist my lost children."

A trillion, trillion 'hands' went UP saying: **"I will go to help them."**

Allah then said:

"You need to know that in order to 'understand' the dark emotional energy within them which is binding them, that prior to entering that realm and being 'born' into the biology of that place, you will be required to be 'infused' with some of MY Dark energy (Sin) so that as you grow up there you will understand the power of the negative emotional energy afflicting the lost, and IT will make you suffer."

A trillion, trillion 'hands' still went UP saying: **"I will go to help them."**

Allah then said:

"You cannot 'take' My Dark energy, for in so doing you place yourself in the punitive aspect of My Law, for in taking IT you are stealing IT.

Thus if I choose you to go then I will GIVE you some of IT and place IT within you so that you BEGIN your dangerous journey with NO 'label' of 'thief' attached but, - - -

You must understand that your spirit mind will remember naught of this as your earthly consciousness will begin as a 'blank' fresh page and IF you are tempted to use this ENERGY of mine then you place yourself within ITS Law and you will suffer the terrible consequence within My immutable LAW."

A trillion, trillion 'hands' still went UP saying: "I will go to help them."

Allah then said:

"When you are in that world and you have forgotten this there will emerge your elder brother, and irrespective of the teaching you have grown up with you will recognize his inner sight and you will read and comprehend My message sent to that world via his mind, and you will then know how to assist My lost ones and, your valorous souls will endure much hardship but will do everything in its power to uplift the consciousness of your lost sisters and brothers so as to bring as many as you personally can home to your MOTHER My Light."

A trillion, trillion 'hands' still went UP saying: "I will go to help them."

Allah then said:

"My promise to those brave and of good heart who I choose to go to that dark world is that the dark energy of Mine which I 'loaned' them will be removed in the twinkling of an eye prior to, or, 'on' their passing out of the flesh of that world, and their beauty will be uplifted back into My sight to be adored forever by those they saved and ME."

A trillion, trillion 'hands' still went UP saying: "I will go to help them."

If you believe that you are 'one' of the 101 million chosen by Allah then you need to read **His ~ Her** message via me and obey IT and prepare to help the lost and needy soon to be roaming here, there, and everywhere as they **suffer great travail**, being their 'due' and, -

With your help and accrued wisdom you will enlighten them and assist them to save themselves from the ETERNAL **SWORD** wielded against ANY who fail to OBEY the ETERNAL WORD of ALLAH, being Allah's 'peace & love & mercy & compassion & forgive' Command.

~~~

~ Whose 'side' is Allah ON ? ~

**It is I to clarify** a REALITY which few 'men' see as they carry out their daily duty to **rules** in a book or their other daily 'works' or activities.

Certainly they are ALL oblivious to the **Truth** and reality seen by me which is that our ALLAH 'backs' each and every activity with **Her** or **His** ENERGY, for without their energy we can in fact do NAUGHT, for every ACTION (interaction) is backed by the *spiritual energy* of ONE or the OTHER or BOTH available to be USED.

What causes us to use the one or the other? It is in fact our thoughts which 'trigger' our verbal or physical activity, and it is the INTENT of that which we intend to DO which 'attracts' the THOUGHTS from either the **Light** or the **Dark** aspect of the *Source, Allah*.

It needs to be understood that we HAVE an eternal 'relationship' with our Creator and without their ENERGY, of which we are comprised, we can naught do.

Every 'inspiration' or 'idea' of man originates from the MIND of Allah. So, there are NO 'brilliant' people as such for there are simply children of Allah who incarnate onto this earth in order to 'learn and or do something' BACKED by either OR, or ONE or both of these ENERGIES of Allah.

A person with NO 'Sin' has ONLY '**Love & light**' within their soul and thus they ONLY 'think' of being **kind and helpful and considerate and loving** towards ALL others, even others who would seek to harm them in some way, and their only 'inspiration' is from the **LIGHT of Allah** which seeks to use them in a **GIVING and loving** way.

They also would never ever 'consider' taking a 'wage' to uphold any rules in a book which would **force** them to be of the opposite ideology in their interaction. Being an ideology which uses **punitive or controlling** darkness against others AND, - - - neither would they consider employing or FUNDING a punitive organisation (or individual) once they understood my texts.

It in FACT follows, that a person with 'Sin' within can still be inspired by the **Light** to do **RIGHT** but they can also be '**tempted**' by the DARK and thus 'think' of gaining the upper 'hand' and **controlling, stealing, taking, lying, deceiving, injuring, extorting or taxing money or even invading or killing** etc. All this being the USE of **Allah's** 'forbidden to use' **destructive FORCE**.

So Allah's ENERGY is 'ON' your side every time you 'interact' with others. If your 'party' or yourself is waging **War** upon another who is **RETALIATING**, then THE ALLAH OF DARK (The Father) is behind every action as both you and the other being the 'combatants' are unknowingly sitting on **HIS** giant chess board and ALL **suffer**.

ONLY be '**HER**' **benign energy in action** at ALL times in ALL situations. Fail in THIS and He and His energy will ultimately fill your soul and suck IT down to His depths.

**NOTE** from page 1: **must be \*** - If you are a 'creature' living outside the pure **Light of Heaven** and outside of the constraints of Allah's Command as given in page 2 - (a), it means that you must BE an **offender** in His eyes and thus one to be **despised** and **deceived** by HIM so as to keep you BOUND unto eternal servitude and suffering within the constraints of His immutable Law.

Once you are in this unenviable position, as are ALL mankind, you can ONLY become free if and when you 'listen' to ME with my message from **HER**, and you thus stop funding and supporting the iniquitous organizations raised up by **HIM** to keep you **LEGALLY bound** within **HIS Law**, and you 'simply' suffer your accrued DUES without retaliating.

It is thus and ONLY thus that **He** THE DARK **Sovereign POWER** sees your attempts at '**fidelity**' to **His ~ Her** "**Love one another**" Command, and He then sets you **free** once you HAVE enabled Him to 'balance' His Scales of Justice as you STOP **retaliating**, and thus you STOP accruing more painful spiritual dues.

The UNHOLY Christian 'heads of house' are the legislators, and the UNHOLY Muslim 'heads of house' are the Clerics who all legislate their 'demands, rites, rituals.' All such controllers are EQUALLY 'slave drivers' used by Allah/Allah to keep you away from being 'able' to live by the **TRUE** 'creed' of **love, peace, mercy, compassion and forgiveness**.

Every Taliban or Christian 'enforcer' or any soldier or police or magistrate is IN the same sorry 'boat' because they themselves are being **coerced** into following and upholding **rules** through taking a wage to so do. Ultimately you and they ALL eventually FALL.

Legislators raise up endless rules which are **FORCING** police, magistrates and enforcement agencies into CRIMINAL acts of extortion and merciless persecution and punishment. All this funded by the ignorant taxpayer.

Woe and more woe is to be as the 'tough guys' confront other 'tough guys' and insanity and resultant travail all will see.

We all need the provision of community services however, we must now all begin to 'revolve' within the precepts of Allah's Command and **THUS** remain within the **benign** aspect of Allah's Law and receive a bountiful return wherein all will be happy.

**Only fund and support and condone benign community effort.** People must 'ask and receive' rather than **demand** and **take** using **force** backed by legislation.

All those who **disturb the peace of the land** must be **educated** as per my 'The Feeling Easier' Seminar' in the Offender document:

<http://www.the-testament-of-truth.co.uk/truth/web/offend1.htm>

**Mother Allah THE LIGHT SOVEREIGN POWER** states:

"Do not uphold any flag or nation or king or queen or land mass or race or colour or creed, for in so doing you will make others suffer and bleed. Only uphold MY Command as given in page 2 - (a) above, in personally living IT."

I wish you well John. Please now understand that **SHE** sent you to earth as me to uplift the **LOST**. Please now awaken from your 'reverie' and set DOWN past scriptural texts and ONLY read what **SHE** has sent to earth via ME.

Mankind now needs NO 'Pope or bishop or priest or cleric' or any other purported 'holy man,' for NONE are holy and man must now turn direct to ALLAH and abide in **His ~ Her Command** by reprogramming their minds with the **Testament of Truth** content.

There is 'something' that 'Popes or bishops or priests or clerics' need to UNDERSTAND, being that 'as' they have been preaching from contaminated teachings thereby **deceiving** Allah's children, that within the 'eye for an eye' Law of Allah they now are to be **'deceived.'**

How so? The DARK aspect of the Source will do ITS 'best' to keep them away from my truth, and they will INSIST in holding ON to their past ways and thus they fall because they will not amend their ways and will continue to 'preach' **falsity** and try to turn others away from me and MY Truth which is Allah's truth.

Truly, it will be incredibly 'hard' for any minister to save themselves. Please do YOUR best to convince them once YOU believe in Allah's message via my pen.

Any activity or 'action' by oneself OR by ones servants which is 'outside' of the constraints of the three words below are **ERROR**.

"LOVE ONE ANOTHER"

Terence

This Treatise is found on line as Item 1 on the 'crucifixion of religion' pages:  
<http://www.the-testament-of-truth.co.uk/truth/web/crucify.htm>

### My prior letter to John for the reader's interest:

Dear John, the 'Bible' as you see it does 'YES' contain much which can be deemed the infallible word of Allah - e.g. - Allah's Command of 'love one another, go your way in peace and be compassionate, merciful & forgive your 'enemy' etc., but there is MUCH interpolated in texts which is **error** and much which enables man to 'side track' the Command because the interpretation of much is also conflicting.

The 'books' of the bible were written by men 'with sin' (negative emotions) and it is thus that VIA their dark inner energy the DARK can interpolate ITS deceptive, tempting and destructive thoughts and IT so DID.

I have the SAME relationship with Allah as do you and everybody - we are ALL sister & brother - ALL children of the Creator - my 'personal' relationship with Allah is that my spirit soul is one of the first born zillions of years ago and I have NO negative emotions within and THUS my mind is 'infallible' in that the DARK aspect of the Source and ITS demonic forces cannot access my mind to 'disturb' it and thus cannot deviate IT from the TRUTH - hence my capacity to be a pure channel for the **Light** to enlighten the world with PURE *spiritual* truth.

We ALL 'relate' to ONE or the other aspects of the SOURCE - There is no 'Allah & the Devil' there is but Allah and Allah's energies '**Benign & creative LIGHT** and **malignant and destructive DARK**, and as we use either energy we are 'relating' to IT and the consequences thereof: We BECOME as IT, be it Light or Dark.

Religions are man made and certainly there is much truth in their teachings, but none of them have the revelations I now bring to help people through the dark times at hand.

NO religious teaching can save anyone - for everyone finds 'justification or the reason' to defend, fight or pay levies to the CONTRA doctrine etc. (Caesar's destructive and controlling forces)

I am not a 'supernatural' being equivalent to Allah for no 'man nor woman' can so be - for 'we' are but an infinitesimal fraction of Allah's energy. I am 'similar' to the **Light of Allah** in that my energy 'frequency being **pure Light** vibrates at **HER** (Mother's) frequency and thus I am as **She** is.

Man does not realise that HE the Father IS the DARK negative energy essence from which the 'eternal' fire is created and transforms itself into HER Light - these two energies are EQUAL and in perfect harmony.

The Dark that is termed 'Evil' is not anything other than what it simply IS - as is the Light which we call 'Love' - the use of one makes us feel good as does the use of the other, for mad men striking out with their sword feel GOOD as it slices off the arm of their enemy - for the DARK essence flowing through them IS meting out JUSTIFIED

PAYBACK thus the Light & Dark both feel good and justified when they give 'us' a return for our deeds.

So when we receive a return of the Light energy and people are kind and good towards us we feel GOOD - when we receive a return of anger or hatred and get smashed in the face we feel HURT or sad or terrified etc.

BOTH actions simply receiving a 'Just' return of Allah's ENERGY - the DARK is what we were forbidden to use - (The Fruit of the tree of the knowledge of good & evil)

So in fact if Allah had simply told His children that if they put their hand in a fire that it would burn them it would be the same - Allah knows that HIS Dark energy is what it IS - being TOTAL super intelligence which is Totally destructive and deceptive etc., so no mortal understands ITS cunning ways and no man can 'compete' with IT nor can they destroy it. (Both aspects of Allah's energy are indestructible as is our souls)

Man sees NOT that as the Dark essence IS Allah, that when we defy HIM in the first instance, then HE becomes our 'enemy' and it is TRUE, sup on this energy and you 'die in your sin' for against IT you cannot ever win.

So - everyone today is on a slide downhill, and I am simply sent by Mother with HIS permission to enlighten everyone and give everyone a FINAL opportunity to save themselves.

I am here to see if there is but ONE soul worthy of being elevated - ANY who defy Her wisdom NOW via me will for SURE fall and **BE destroyed\*** by HIS Dark forces in the manner given by my pen. (Hers)

We cannot (**BE destroyed as Allah's energy is indestructible\***) But it means - taken 'OUT' of Allah's heavenly picture and fall further from the Light into eternal agony and suffering.

NO belief in any mortal man will save anyone - so say I - and soon everyone who has not fortified their MIND as given by me will become totally mentally disturbed by demonic thoughts which WILL possess them and they will become as 'robots' and unable to think for themselves as they go forth meting out JUSTICE in a very brutal manner FOR Allah (The dark) balancing ITS scales of justice.

It was prophesied that the present Pope is to be the last and that the next 'head of house' was to be the devil or the antichrist - and that is ABSOLUTELY CORRECT - for the DARK powers will be in absolute control VIA the MIND of ignorant or arrogant man meting out divine Justice.

All this tit for tat agony will go on FOREVER for those who fail to heed me for they will continue to defy the Light and as they retaliate they draw in more Dark energy and fight ON and ON and ON forever in the realms below until they **BURN** for another forever.

Regrettably scriptural texts have been written which are NOT correct and thus 'somehow' ignorant mortals have been programmed with the 'delightful' for THEM belief that, even though they or their servants caused others grief, that praising the name of some other mortal (Jesus) somehow exonerates them and nullifies Allah's Law. What a SHOCK HORROR it is to BE for so many when they find out their **error of belief & judgement**.

As neither the OLD nor the NEW Testaments hold the *pure salvation truth* they are WORTHLESS and deceptive and holding mankind in bondage to the DARK. (Eternal bondage & slavery & suffering)

We are created in the **Light** of the flame - the more dark energy we draw in over trillions of years the further away around the circle we go in 'harmony' to or with whatever inner energy vibration we have at any point in time to the vibration of Allah's mass.

Once we have fallen to a certain 'depth' it becomes dark and cold and absolutely impossible to rise up due to the BRUTAL *coercion* at those levels. The torture goes on and ON.

Go well - Terence
