

~ The 'fateful' Constitution of Zimbabwe ~
and
The *multiple personality disorder* of Robert Mugabe

This article is written to expose the fact that the Constitution 'Paper' raised up by power hungry men in many a land on earth is the greatest 'sham' or 'scam' **imposed by force of arms** upon mortal man. Being a document guaranteeing their **enslavement** to others and to the invisible Dark Power of the Source which exists.

This article is also written so as to open the eyes of the unwise who uphold the rulings, orders, decrees and purported 'laws' contained **within 'The fateful Constitution'** and within the multitudes of other supposedly official decrees enabled annually.

These decrees are 'Rules' which bind man and enable his punishment for non conformity. The Constitution * is exposed by my pen as being a literal '*doctrine of death*.'

This article is to also alert everyone to the FACT that any person having any negative emotions within their soul *is a person* suffering from the 'Jekyll & Hyde syndrome' explained within an article written by myself and linked to at the end of this document.

This **Treatise of Truth** exposes the **contra ideological doctrines** contained within every 'Constitution' on earth, but is written with Zimbabwe as the example due to the writer myself having lived in Rhodesia and having followed the 'fate' of so many in that land, wherein the **cruel** 'underhand' of the mortal man 'Robert Mugabe' was raised against those of his own land.

This was due to him being spellbound by a demonic '**curse**' placed upon his soul by dark spirit forces in the manner as revealed by my pen in my Testament to humanity.

The **primary** result of this **curse** which still holds his mind 'spellbound' is that he rules with a despotic dictatorial force backed by **force of arms** which have caused untold misery to multitudes of his 'sisters and brothers' in that land as he laid waste their livelihoods and property and maimed and killed all he perceived as 'in opposition' to him and his dominating and subjugating demands.

The **secondary** result of this **curse** is that he has misled and is yet misleading others into following a dark religious doctrine which is unconscionable and in contravention of **God's** holy "*peace & love & mercy & compassion & forgive*" Command.

The next consequence accompanying this **curse** is that the 'youth' who are his followers all now believe as does he that they stand above and beyond the 'reach' of God's ONE immutable LAW:

"As you sow so shall ye reap ~ as you do unto others will be done unto you on an EQUAL and thus 'eye for an eye' basis."

I can state quite categorically that his belief of superiority or ignorance of God's superior Law is absolute error.

A *doctrine* or 'belief' as contained within the Zimbabwe Constitution as well as those of other 'Western' nations is the '*Freedom of religion*' clause Section 4 which supposedly guarantees the *liberty* to live by ones *conscience, belief or ideology* and NOT be *persecuted, enslaved, tortured or killed*.

But also contained within said Constitution is another contra *doctrine* countermanding said freedoms, ref.: Sections 4.38 & 4.39 by 'limiting' your 'belief' in a so called 'justifiable' manner.

This actually means that The Constitutional document is a living *lie* which not only cannot protect you but is in fact the document which authorises your *subjugation and punishment* and *enslavement* unto ITS *proponents*.

Why or 'how so'?

Because the wording within the Constitution is so 'loose or tight' as to simply overrule any freedoms or rights clauses, and anyone living as an *absolute pacifist* and doing their best to live in *peace* as commanded by THE CREATOR is *terrorised* and subjugated by Mugabe's gun toting *forces* and *misled* members of the public.

This Treatise exposes the very 'grave' spiritual *danger* to all involved who condone, support, fund by taxes or vote for any man or Constitutional Authority. Why? Because they become complicit to all *iniquity* carried out in their name and on their behalf by those empowered by said Constitution OR head 'honcho' and, - - -

Foolish indeed are those who through ignorance 'deed' away their material and spiritual freedoms TO any person OR piece of 'white' paper which legitimises their *enslavement* TO the *dictates* of other deluded or ignorant mortal men posing as a 'legitimate' Authority.

I say that GOD is THE Authority, not mortal man.

My *PRIMARY reason* for writing this Treatise for God is to break the 'spell' binding man to the dictates of other mortals as well as opening the eyes of the unwise, such as Mugabe and all worldly politicians and their armed forces, to the point where they can begin to see the '*SPEAR*' they have invoked which is coming their way as they ahead are *forced* to *suffer* and *PAY* for every drop of *BLOOD* which they so arrogantly and foolishly spilt.

Yes, this *agony* is to continue on and on and ON in the underworld forever unless the individual can break the spell of '*V*' for *vendetta* and merciless *retribution* which is wielded through their minds by invisible demonic forces who control their psyche from afar.

Brother 'Robert Mugabe,' your intelligence (your mind) is in fact controlled by *unforgiving* and *merciless* spirit people living in far distant lands, and ONLY I have the POWER to 'dispel' the *spell* blinding and binding YOU and others of your ilk, who perceive themselves as the 'elite' wearing silk.

Beware, for the time left for you on earth is short indeed and unless you READ what is said to YOU by our God through me, you will ahead **BURN in liquid fire** for an eternity 'brother.' So please let me assist you to amend your ways before your last day here.

The Dark forceful power of God

The 'fruit' of the Tree of evil (knowledge thereof)

There is an invisible **POWER** in every land which mortal man neither sees nor understands. It is the dark and forceful underhand *energy* of God which pervades every land (realm) upon which 'sinful' man did or yet does 'plod' which exist outside of the pure **Light of Heaven**.

It is the powerful dark emotional energy comprised of vanity, pride, greed, vindictiveness, criticism, jealousy, hatred, anger, fear etc., which **JUSTIFY** man into being IT in action in the individual's interaction with others whom IT 'deems' as unworthy in some way and in need of ITS 'correction.'

It is that which enables the punitive aspect of God (Itself) to **RULE** as IT metes out ITS/God's **Law of merciless retribution** upon all who daily continue to defy HIM (God) and His Command of "*Peace & love & mercy & forgive*" etc.

This invisible **POWER** is invoked by men who are vain and proud with voices loud who hold God's Command in disdain, for they seek to be as God. As said, they are vain and they are seduced by feelings of absolute power enabled by demonic 'witch doctors' from long ago who silently 'sow' their evil spells **TELEPATHICALLY** within the minds of the unwary of this world.

All unwary souls of mortal man or spirit people who fell below **ARE used** to **dominate** and **control** and **subjugate** and **harm** others by the 'spell-binding' thoughts emanating from the **SNAKE**, being the 'hypnotic' spellbinding thoughts of the *Serpent* who **RULES** the invisible world (Hell) and **HE** the dark punitive force of the Source (God) is self-empowered to **DECEIVE** and make all His followers eternally **grieve**.

"WHO are His followers"?

They are those many **warmongers** such as Caesar, Hitler, Attila the Hun, Mussolini AND Zimbabwe's 'Lodzi' who **ruled** using **force of arms** and fell into the **PIT** of oblivion, as did and yet do millions of others who fell/fall from '*grace*,' being everyone who defies their God as does Mugabe today.

Yes, multitudes defy their God as they **interfere** in the lives of everyone and **dictate, injure, steal or tax, impoverish and destroy** others. All have minds 'Under siege' to **THE DARK** which justifies their **iniquity** for the sole purpose of dragging **THEM** down into ITS hellish space as IT uses them to be ITS **retributive arm**.

"HOW is this accomplished"?

It is accomplished **TELEPATHICALLY** as the **Serpent** via the mind of mortal men invokes a document which appears to give IT authenticity and 'validity,' as ITS wording promises **freedoms, support, protection** and much more but, - - - IT also gives **ITSELF**

(Its texts) the RIGHT and power to **RULE** you and all AND the RIGHT to use force of arms to govern you in **defiance of God.** *

Note: defiance of God. * - It is forbidden by God for any of His children to use His forceful dark energy in their interaction with others.

The apparent '**legitimacy**' of this document is so 'brilliant' that IT also appears or is assumed to be able to even nullify or abrogate the LAW of GOD of all persons supporting or funding or implementing ITS 'unholy' decrees.

The 'paper' is so 'brilliantly' worded that IT appears to be beyond 'reproach' and ITS officials and serving officers are by ITS words permitted to do 'terrible' things to you and you and YOU and as said, there is the assumption that during ones 'duty' to the State, the individual is given IMMUNITY from God's 'eye for an eye' Law by the Constitutional document. **This is ERROR of belief.**

To put it bluntly, as the Constitutional DOCUMENT 'permits' iniquity and in FACT forces ITS operatives to live by a conflicting code of conduct to that Commanded by God, that it IS a 'fateful' document leading humanity to the Abyss as did the 'Pied piper' lead his followers astray.

As said, the Constitution document 'paper' is what legitimises absolute DOMINATION of everyone which ITS '**mercenary forces**' * control within their allotted 'precincts.'

Note: Mercenary forces * - Being any person being paid '30 pieces of silver' to defy God and go forth over the **land interfering, subjugating, injuring, punishing or killing** other children of God.

Mercenary forces * - Extends to any 'Chief or sub Chief' living in a village who demands a 'payment' from his 'subjects' as an annual 'Mafiosi' tax fee to protect them from his 'wrath' which they would incur if they refuse to meet his 'taxing' **demands**.

The Constitutional document is so 'brilliant' and apparently 'democratic' that the forces men upholding ITS decrees go forth WILLINGLY believing it to be an honourable duty in doing ITS 'bidding.'

Those 'living' as Mugabe AND all the other Kings, Queens, Emperors etc., are truly 'spellbound' by the incredible 'god like' **POWER** bequeathed unto them by the SERPENT via the 'fateful' Constitution IT raised UP telepathically via the VAIN in every land.

The Constitution enables THE LAW OF THE BEAST:

"Do what thou wilt is the whole of the law."

"For I 'THE BEAST' am THE LAW"

"Those who 'work' for ME to subjugate or brutalise their enemies will rest in peace in heaven as I grant them IMMUNITY"

Why did IT so STATE?

So that IT could 'drink the blood' of sinners endlessly without mortals even being aware of what was taking place SPIRITUALLY. Being that as they used ITS dark energy in their interaction with others, that said ENERGY contaminated their souls more and more thus 'guaranteeing' their 'fall' from grace and they also accrue a very painful spiritual due within ITS 'eye for an eye' LAW.

None are 'aware' that THE SERPENT is the ultimate **DECEIVER & LIAR**, and that every person upholding or supporting or funding said 'organisation' is defiant of their God and unknowingly placing themselves within the punitive aspect of God's LAW and thus enabling the Serpent to control and injure them more and more as IT is the retributive 'arm' of God.

Why is it that I use 'Robert Mugabe' the mortal man of 'statehood' of Zimbabwe as my focal point today? Because he is the African 'Spear' who had a spell placed over his mind a very long time ago by an invisible 'sorcerer' abiding in the UNDERWORLD who is SEEN by me, but who has NO NAME and only I have the POWER to 'dis-spell' the *spell* binding 'Robert' or any other vain or arrogant or ignorant mortal.

So, - - - it is MY intent to get him (Robert) to 'awaken' and see that the 'sorcerer' used him to destroy his 'own' Nation as he and his savage 'cohorts' caused untold misery and destruction and injury upon his 'own' people who he had 'sworn' to **PROTECT** according to THE LAW.

Only a 'cursed' or insane man would or could so DO say I the messenger of the MOST HIGH, and at all times HE Robert strutted around vainly as a 'peacock' playing 'god' and, - - - *justifying* in his mind all his 'murderous' misdeeds was the *spell* woven by the satanic sorcerer.

This 'spell' is so powerful that Its 'curse' also contaminates the minds and souls of all his officials and serving officers who also 'blindly' do ITS bidding as they ride ITS 'wave like' crest seeing NOT that IT soon will 'break' and 'crash' sucking them ALL into ITS Dark and terrifying fold.

Only the power of **Light** and ITS *enlightenment* flowing through my pen has the capacity to dispel the 'myths' that bind the minds of egotistical mortals who see not that they are NOT God.

Our God is now to 'delouse' legislators and 'heads' of any ruling 'house' of man who will all now stumble and crumble as abject FEAR is felt within them. The fear is a part of the SIN in mortal men who forgot God's GREATER PLAN. The plan for eternal *beauty, wonderment, joy, happiness, freedom, love and happiness* which ONLY exists in His '*heavenly paradise*,' a place only attained by the PURE OF HEART.

My **Treatise of Truth** is not a 'revolt' against the beliefs or 'ways' of man, it is a *sublime revelation* to uplift the consciousness of all mankind, and to any seeking to TAX you saying:

"I am ordering you to pay my government fiscal demands and if you do not then I will reprimand you and punish you and possibly evict you or banish you from society."

You respond 'bravely' saying:

"NO my brother, I cannot fund the extortionist and controlling ways of your institutional officers and neither can I fund their interference in the lives of our sisters and brothers and neither can I support your injurious warring ways.

NO, my brother, for I do not believe in causing harm or loss or deprivation of liberty, nor do I seek the 'protection' of your armed men for I am a man of peace and ONLY rely on God.

So please now AMEND YOUR WAYS and IF you wish to 'crucify' me then remember, - - - you will be also crucifying your own self for God's Law IS immutable and, - - -

I can only fund benign community effort directly and only pay for the services which I need or wish to support as a free giving contribution to others.

Please amend your ways today for God's messenger is here and the gates of Heaven OR the 'pits of Hell' are VERY NEAR."

I add for you the reader: You are beholden to NO mortal man, only to God and your own soul.

Men of every land with their 'ordering' words issued either verbally OR via their directives raised up as legislation are in fact forcing people (through fear of retribution) to live in contravention of God's Command.

As all can now see, there are men who actually believe that a piece of 'white' paper enshrined by themselves or others as being The Sovereign Authority to be obeyed, can in some way replace GOD as THE SOVEREIGN AUTHORITY to be OBEYED.

This is foolishness or ignorance or arrogance indeed, for it falsely empowers legislators, enforcers and the judiciary to believe what they are doing is RIGHT, seeing NOT that they are walking in the DARK and daily accruing a very painful karmic debt indeed.

God said: "*Judge not lest ye be so judged by ME*"

Evil flourishes when 'good' men take up arms to oppose evil. Seeing not that in so doing, they are the evil (dark energy) in action against the other and themselves defiant of God and placing themselves within the 'eye for an eye' punitive aspect of God's Law.

It is the time to understand that 'evil' or dictatorial men must not be confronted, vanquished or forcefully removed or destroyed. Their demands must simply be ignored and the enlightened must simply try and educate them and help them to see reason.

Failing this, then simply leave them to GOD, as YOU go your way in *peace* and *forgive* them their trespasses against you.

I have said much, but in order to assist in the reprogramming of your mind I will repeat and say more.

The 'whole' purpose of someone deciding to elevate a document and naming IT and ITS content as being "The Authority" to be obeyed, simply means, that they will use said document as their 'instrument' to **dominate** and **RULE** and **ENSLAVE** and **extort** endless **TAXES - fees - duty - licences - fines** etc., from your purse. (Mafiosi EXTORTION backed by threat, coercion and force of arms)

To say or imply that as they gave you the right to vote for a man as leader that your involvement is democratic and you will live in freedom is an absolute **LIE**, for in FACT the Constitutional document in their minds (the officers of state) is legitimising your subservience to their every wish and whim.

The spiritual FACT is that the REAL ordering voice backing every dictatorial command or Constitution is the *Dark Sovereign Power* (God) the Source using the minds of the VAIN and arrogant to 'bind' every sinner and keep them living in a manner contrary to the precepts of the command of the **Sovereign LIGHT** because; "*Everyone who defied God IN THE FIRST INSTANCE does NOT deserve to breathe, eat food, drink water or LIVE.*" (Says our God on high)

It is thus that as the individual uses God's dark energy essence the individual sees NOT that their Creator becomes their 'enemy' AND their destroyer and truly, anyone who FAILS to comprehend what I give to humanity from THE LIGHT will most certainly 'Die in their sin' in the manner revealed by my pen.

I now return to 'Mugabe,' for there are other despots like him who also state that they 'live' according to their 'Constitutional law' but in fact their 'spell-bound' minds simply keep them 'listening' to the whisperings of the *Serpent*, being ITS thoughts which they are mentally and emotionally FORCED to OBEY and, - - -

They as Mugabe send forth their 'troops' to do their personal bidding. Yes, Mugabe's 'curse' is so strong that his God given 'conscience' is simply set aside so to speak, and thus 'voided' by the powerful **JUSTIFICATION** of the Dark ENERGY flowing through his veins and heart.

Truly, these unconscionable 'infidel' NON-believers in **peace & love & mercy** need every ounce of our **COMPASSION**, for their trials and tribulations already accrued are soon to commence in the DARK wastelands of agonising torture and travail below.

If YOU do NOT 'wish' to follow them to that place of disgrace and NO name, then you had better 'believe' ME the only ONE who into every invisible realm can SEE.

It is NOT your professed religion or belief that takes your spirit UP or DOWN, it is simply a matter of the energetic VIBRATION of your INNER ENERGY.

The more DARK energy (sin) you drew in (draw in) due to any negative or injurious interaction with others, the more you 'cloud' your inner LIGHT, and the DARK energy

you use grows within as a 'cancer' and coarsens your energy vibration and is what takes you IRRESISTIBLY to the level of consciousness of THE ENERGY. No person can resist the PULL of their inner energy for IT is God's energy and IT is in control, NOT you.

You ONLY enter the pure **Light** when your soul is free of every speck of dark energy. (Negative emotions) you ONLY become free of dark inner energy when you OBEY God's words through ME. (*Absolute pacifism - turn the other cheek - go as a lamb to the slaughter - NON-retaliation in the face of adversity*) AND, in order to do that 'bidding' you will need a strong MIND free of any 'curse.')

The 'spell' binding 'brother' Robert is also a curse placed upon the soul of every ignorant mortal to a lesser or greater degree, for ALL now believe in their 'right' to defy God and make others grieve and not have to pay the 'blood price' within God's Supreme Law.

Woe and more woe is now to descend upon ALL mortals as insanity erupts VIA the sin in man, (negative emotions) and the Serpent metes out divine retribution through the mind and hand of the vain, arrogant and ignorant who THEN will fail their final test and fall and literally 'die in their sin,' and BE forgotten for an eternity.

The Power and VOICE behind my pen states;

"NEVER abuse any of MY children as along you daily stroll and NEVER pay others to protect you, for in so doing they are causing pain to MY children ON YOUR BEHALF."

As every Constitution HAS a 'doctrine' it follows that of itself IT is the 'basis of & base' **RULES** of a religious 'Order.' For its officials (high priests) have the belief in ITS 'superiority' over ALL else.

As the rules (commandments) invoked by legislation are **controlling** and **punitive**, it follows that the IDEOLOGY is in contravention of the Command of GOD:

"Peace, love, mercy, compassion and forgive thine enemy" etc., and, - - -

Although all its adherents ARE entitled to defy or deny or ignore said Command of God, they can NEVER revoke nor nullify the Supreme Law of God:

"As you sow so shall ye reap on an equal and thus 'eye for an eye' basis."

It follows that all the **suffering, control, extortion, punishment, injury, destruction of property, killing, restriction of free movement** etc., meted out IN THE NAME OF THE RELIGION (Government institution Constitution) must BE suffered by ITS 'followers' within the immutable Law of God. The fulfilment of said LAW is NOW to be IMPOSED upon humanity in the manner revealed by my pen on my main web pages.

IT needs to be clearly understood, that everyone has accrued 'some' debts to God, and THE DARK ENERGY used knows EXACTLY what 'each' needs to receive at the hands of the merciless IN ORDER for It (the energy) to balance ITS 'Scales of Justice' and in so doing, set YOU **free** so that you then can move forwards and upwards to the **Light**.

No Religion nor Constitution nor doctrine voids God's Command nor God's LAW.

God's Constitution (Page 213 Book 1 of 9 - The Testament of Truth) states;

~ God's Constitution ~

Every earthly Constitution is "unwise," they all 'deny' our God of the skies who says :

"The only "safe" Constitution is MY WAY, that of :

Being loving each day.

It is up to no man to decide how any other will on earth stride. It is for no man to say: *'I am elected democratically, thus heed my say.'* Every politician or 'blue blooded' king is a megalomaniac dictator who will 'sting' their enemies over the sea if they 'think' that they 'overpowered' may be.

Children, I your God do speak. Your 'personal' freedom must you all seek, and you only attain it one way as said, by being 'loving'* in every way.

In whatever country you live you must be respectful to all and 'GIVE' of what you have to others each day.

IT is MY Constitutional way. Any of you who try to IT avoid for sure now all fall into the VOID, for in the 'guise' of 'the majority' you did one elect and his controlling 'rules' did say : *"All must do it our way, or you'll reflect upon what to you we'll do if to our command you follow not through,"* and that control over you is negative and enslaving.

Try and now see your way clear and to My fresh WORDS draw personally near.

You 'may' people elect but not to you control or protect, only to assist the disbursement of funds you freely give so that others 'elsewhere' can happier live.

Other than this, each goes their OWN way, doing what they are inspired to by ME each day, and whatever any other does do, you personally just be - respectful, kind and true."

"Any who heed not My call to be loving will die."

That is the message from your Creator up high.

Added **NOTE**; The dark energy essence of the Source (God) exists and is simply what it IS. A powerful force which God forbids man to use because God created man to BE a living **DELIGHT** in his sight, and God knows that IF anyone is so arrogant as to defy Him and use His DARK energy that its 'web' will entrap them forever.

This has been the 'case' to date, and ONLY now does God give mankind a moment in time to reflect so that if ANY ONE in this or any realm outside the Pure Light wishes to be saved from eternal damnation then they have a chance to amend their ways before the LAST DAY.

I can only ADVISE you that once you have any speck of dark energy within you then IT is what gives YOU feelings of INVINCIBILITY. Why? Because IT (dark energy) IS invincible and indestructible, but man's spirit soul when invaded by IT become ITS subject and IT is totally destructive towards ANY seeking to *emulate* ITS Power and Authority.

My spiritual brother Robert Mugabe, why not look deeply at yourself in a mirror and say;

"Maybe soon my spirit departs the flesh and I will have NO army of men to protect me as there will ONLY be God and my enemies who will be all around me.

Being those whom my forces 'tortured and decimated' and thought we had killed. But in FACT I now realise that their spirit souls are ALIVE and now await for my arrival in the underworld and they are many indeed who will be waiting to torture me.

Maybe I truly wish to amend my ways and be released from the curse placed over me so that I can become 'sane' before I pass over into the next world. A place where I can pay my dues and educate others and eventually become free IF the 'curse' is fully lifted from me before I go that way. For once in that place my mind will be overpowered even more if I am still spellbound.

Why do I not immediately resign my 'post' and appoint NO 'successor' but simply walk away and take a trip to Tasmania. I can visit my brother Terence alone or with a friend and ask him to help me to prepare for what is to BE, so that as a true son of God I can become as a friendly rabbit to those of all races and colour rather than continue to be as a lion disrupting everyone I see as prey."

Yes Robert, you need to spend a little time with me because even though you have to face the **Wrath** of THE FATHER, I can assure you and every errant that their Mother being the Creative **LIGHT** who created us all will always love you, and it is **HER** Wisdom flowing through me, and **SHE** wishes you to now be a courageous man and lead the way forwards for other errant people to follow.

Robert, I can tell you ONE thing. All the gold and diamonds or \$\$ in the world cannot set you *free* mentally or emotionally. It can ONLY be done by God's **Light** flowing through me for I am a spirit medium empowered by God's love, and I am also God's 'dove' with much Wisdom to impart.

Just ask your own 'mind' if I speak truth or otherwise. If the answer is 'NO,' then for sure for eternity you burn below. If 'Yes,' that I speak truth, then it shows us both that there is yet a small spark of Light within you that has the capacity to help you come to me. Your choice 'bro.'

Dear Robert and every reader, the DARK energy is worse than any 'Black Widow' spider, and the strands of ITS 'web' are unbreakable. Its intelligence and cunning and

deception is incomprehensible and immeasurable. It IS God's energy which is also indestructible.

Once you use IT and infuse your soul with IT, one cannot cut it out with a knife. It can only be drawn out with the power of the Light.

Man sees not that when he plans and plots and schemes to pull the other down, that he is in fact being inspired by the DARK energy which is behind all 'skulduggery' with its accompanying *punitive, invasive, controlling and destructive* effort.

Man sees not that when they raise UP a dominating document, that IT is inspired by the Dark aspect of the *Source*, and those invoking IT have in the first instance assumed their right to so do and to *impose* ITS *doctrine* upon others.

Let us all now simply go our way in *peace* and OBEY the ONE who IS the rightful *Sovereign Power*. The **LIGHT** of God, not any man or doctrine of man.

When man seeks to dominate others it is simply the DARK seeking to impose **ITS strictures** upon mortals for their erring ways, and this it does via the vain and ignorant and very unwise. As you can now see, everyone 'following' the 'subjugator' becomes bound more and more and more via taxing and punitive decrees to the point NOW that you cannot:

- 1 - Buy or sell without first paying IT a fee. (IT - The Dark system)
- 2 - Build or demolish a building without first paying IT a fee.
- 3 - Manufacture any goods or supply any services without first paying IT a fee.

The 'spider's web' has entrapped everyone who can now be 'legitimately' punished for failing to pay IT a fee before they even drink a glass of water out of a river, if that 'act' is so legislated.

Total Polarisation of ideological belief.

Soon now there will be a total polarisation of doctrine, belief, conscience or otherwise resulting from the emotional and mental state of man. Some will become totally *arrogant, disrespectful, merciless, cruel, cold, hard, unforgiving, vengeful and destructive* and the others will be *warm, inviting, calm, respectful, merciful, peaceful, loving, forgiving and kind*, and they will assist the needy as well as those of the other 'ilk' as they 'fall' into hard times.

Absolute *pacifism* by those bowing to God as head of house v/s those who vote FOR and FUND any organisation or person whose conduct is in *contravention* of the *precepts* of God's Command.

Those who follow the controlling ways of man seek protection by force of arms and defence against their enemies, and they support the invasion of others lands and others being attacked, injured, killed and vanquished.

All persons following 'man' are ON the road to eternal travail, loss and suffering, and are ON the road to perdition. This document is raised UP so that YOU the individual can come to a personally informed decision as to your next move.

Follow God and ONLY fund **benign community effort** and **NEVER disturb the peace of the land** OR, - - - you may continue to vote for man and fund man's **iniquitous** ways and literally GO TO HELL being the ONLY alternative.

It is now the TIME to quickly protect your MIND and SOUL but NOT your flesh.

Change of allegiance

In your mind is our **God** 'head of house' or, is it the flag, nation, president, king, politicians and their rules in a book.? Any document legitimising the **control** and **subjugation** of any of God's children is the works of the *Serpent*.

YOU the individual also need to comprehend the utter waste of community funds through warfare, interference, control and everything else, by 'self-ordained' overlords.

Every Constitution on earth is an ILLEGAL document and all those upholding IT and ITS doctrinal ways ARE **anarchists**.

Note: - Anarchist - Guilty of Treason against the State of Heaven and punishable by SPIRITUAL DEATH

As the whole world gears up for **RETRIBUTION** using YOU and your funding support, you have a serious decision to make.

Wake UP - this IS the Last Call
